Fellow Court Reporters:

In 2017, VRLA went green. The digital age is here and VRLA is on board. We are excited that now our membership, renewal information and seminar information will be coming to you via email. You may renew your membership for 2020, join VRLA via our website at [www.vrlaonline.org](http://www.vrlaonline.org), or you can download the membership form from the website and mail it in. It's your choice.

Please keep in mind that your membership in VRLA entitles you to a reduced CE seminar fee. Our enrollment period is being extended to April 15, 2020. Register today at [www.vrlaonline.org](http://www.vrlaonline.org).

Check our website and Facebook page for seminar information and announcements so that you can stay current on rule changes and legislation, find information about maintaining your CEs, and to be a part of the voice for reporters.

We are committed to all methods of reporting in the state and even now are working on the seminar plans for 2020. We will host two seminars, one in Baton Rouge, and one in Natchitoches, dates to be announced. We continue to employ and work closely with our lobbyist to monitor legislation affecting our profession.

VRLA is busy working for you and it is going to be an exciting year!
