11:00 – 11:15	Registration Check-in
11:15- 11:30	Welcome and Opening Remarks
11:30 – 12:30	First Session – Financial Planning Speaker: Gary Haindel, CFP Mr. Haindel will be presenting information on these three areas: <ol style="list-style-type: none">1) Seven Steps to Financial Security2) How much money do I need to retire3) Questions to ask when hiring a Financial Professional
12:30 – 12:45	Break
12:45 – 1:45	Second Session: Realtime Technology Speaker: Tori Pittman, BA, FAFR, RDR, CRI, CVR-CM-M Because of her training as both a machine stenographer and a realtime voice writer, Tori is able to share with attendees how the methods converge to use technology to create the record. From CAT software to macros to brief forms, attendees will see step by step how realtime is made. Understanding how both methods work to preserve the spoken word can foster relations among realtime professionals. With technology as our great equalizer, the recognition of skill in input will become more and more discernible.
1:45 – 2:00	Break
2:00 – 4:00	Third Session: Entrepreneurship Today and Forward Into the Digital Age Speaker: Tori Pittman, BA, FAFR, RDR, CRI, CVR-CM-M Join Tori as she walks through several aspects of small business ownership that you may or may not have considered. Whether you're a new professional or an established business person, we'll find some hidden ideas to make your business shine and help you add confidence as you embrace your entrepreneurial spirit. We will also discuss the rapid expansion of remote technology and how we can maximize its use to increase not only accessibility but also productivity.
